IN CASE OF INJURY OR ILLNESS AT WORK

1. Get medical help
Your employer is responsible for providing first aid. Go to the doctor or hospital if you need treatment. Your employer pays for your transportation.

2. Document
Tell your employer about your injury or illness. They investigate and keep a record of what happened.

3. Report to the WSIB
Employers must tell us within three days if an injury or illness happens. You can report by submitting Worker’s Report of Injury/Illness (form 6).

4. Work together
We work with you and your employer to help you recover and return to work safely and at the right time.
