PROGRAMS OF CARE

Workers who require treatment for a musculoskeletal injury or recurrence will be treated in a Program of Care (POC). Three Programs of Care address musculoskeletal injuries:

- workers with low back pain will be treated in the Low Back Program of Care,
- workers with a shoulder injury will be treated in the Shoulder Program of Care and
- workers with other musculoskeletal injuries will be treated in the Musculoskeletal Program of Care

Please refer to the WSIB website, wsib.ca for details on Programs of Care, including fees.

Overview

The following information is intended to provide the chiropractor with a list of reports that may be requested or required by the WSIB.

SERVICE CODE	DESCRIPTION	WHEN TO SUBMIT
8M/ 8ME	Health Professional's Report	This form should be completed and submitted to the WSIB in all cases where the worker has identified the injury/illness as work-related. Submit only one Form 8 for each worker. This report must not be used as a progress report. Note: On the worker's initial visit, ONLY the Form 8 will be paid. A Functional Abilities (FAF) will not be paid if completed on the same day.
8R	Health Professional's Continuity Report	This form should be completed and submitted to the WSIB in all cases where the worker has identified a recurrence of a previous work-related injury/illness.
26M/ 26ME	Health Professional's Progress Report	The WSIB sends this form to the worker when a progress report is required. When a worker provides this form, complete it and submit it to the WSIB.
26	Narrative Progress Report	A progress report may be provided on your letterhead in cases when you become aware of new and significant information relevant to the worker's workplace injury/illness.
FAF	Functional Abilities Form for Planning Early and Safe Return to Work	This form is to be provided to you by either the worker or employer. Health professionals do not initiate the completion of this form. Do not include clinical or diagnostic information on the form. Note: On the worker's initial visit, ONLY the Form 8 will be paid. A Functional Abilities (FAF) will not be paid if completed on the same day.
C642	X-ray Report	An X-ray report covering several radiological examinations is considered one report. Submit X-ray reports only when specifically requested by the WSIB.
C645	In-Office Interview	This will be paid only when a WSIB representative (i.e. investigator) requests an appointment with you to discuss the worker's injury/illness.
C649	Request for Health Information/Complex Report	A complex report is requested by the WSIB when a worker has been treated for a substantial period of time without resolution. The WSIB will indicate the specific information required via the Request for Health Information Form.
C650	Photocopies	Photocopies of reports must be requested by the WSIB. Only provide copies of your own clinical records. Copies of other health professionals' reports are not to be submitted. The WSIB will request the necessary reports from other health professionals involved in the worker's claim.

SERVICE CODE	DESCRIPTION	WHEN TO SUBMIT
C651	Review of Patient Records/Clinical Literature	The WSIB may request a narrative report when detailed information regarding the worker's past records and/or clinical literature relevant to the worker's claim is required. The WSIB will specify the period in question and the information required. Usually there is no concurrent clinical assessment of the worker required.
	Chiropractor's Treatment Extension Request	Complete this form in cases where the worker requires treatment beyond the initial allowed treatment period. To ensure continuity of treatment, submit the request at least four weeks prior to the completion of the initial treatment period. <i>Please note that no fee is paid for the completion of this form.</i>
